event in VA tomorrow

Off-the-record: The event will start at 10:30am and it will be in Chantilly, VA. The final location is still getting hashed out but we will have an address to send first thing in the morning. As of right now, it's unlikely he will be doing interviews. However, there will be auto manufacturers and dealership CEOs in attendance I'm sure would speak on-the-record.

Best,
James

Great! Thank you for letting us know about this, I am going to check with my producer if we can get out there.

What time does it start and would we be able to interview him there?

Thank you!

Kellie
